ANOTHER SURPRISE SHOWER

Miss Louise Lambermont was the honoree of a surprise shower given by her young friends last week, at the Moniot home, in anticipation of her coming marriage to Mr. R. Larrett of Los Angeles.

Music and games occupied the evening until 10 o'clock when the bride-to-be was showered with many beautiful gifts. Then the guests were all seated around tables in the yard, which was made to represent a Japanese tea garden. Dainty refreshments were served, while the guests, who numbered about thirty, were entertained with music.

BRADSHAW'S MARKET MOVES

A. E. Bradshaw, who has so successfully cared for the wants of this section in the meat market line, in the B. & B. Store, has concluded to make a change and bills are out, announcing his removal to another location, and that he will in addition, open up a Cash Basket Grocery, and will carry a complete line of staple and fancy groceries, fresh fruits and vegetables.

The new location is 1405 S. San Fernando Road and the popularity of the Bradshaw Market insures the success of the new department.

CELEBRATES BIRTHDAY

Little Miss Luena Guth, of West Cypress street, was the charming hostess last Saturday afternoon to about a dozen of her young friends, celebrating her ninth birthday. The usual round of games ending with delicious refreshments of ice cream and cake made up a most enjoyable event, both for the honoree and her guests.

MAJOR J. J. WEILER DIES

Major J. J. Weiler, who was taken ill, during the G. A. R. encampment at Huntington Beach, and who has been courageously battling for his life ever since, passed away Wednesday at the home of his daughter, Mrs. Joe V. Griffin, on West Acacia street.

Major Weiler was born in Stark County, Ohio, on August 20, 1839. At the outbreak of the Civil War he enlisted as a private in the 17th Indiana Vol. Infantry, a unit of the famous "Wilder's Lightning Brigade" and served his country honorably and valiantly from 1861 to 1865 being promoted for bravery in action, through the various grades to the rank of Major.

Of three brothers in the Federal service he alone returned from the war, the others having given up their lives for their country.

Major Weiler was a true patriot, devoted to his flag and his country and was a citizen of a type not often encountered. He was quartermaster of the N. P. Banks Post, G. A. R., and has lived in Glendale for the past decade where he has many friends. He leaves to mourn his loss, a brother, W. C. Weiler, of Sedalia, Mo.; Mr. and Mrs. Jos. V. Griffin, daughter and son-in-law, of Glendale and Mel H. Weiler of Capitola, Calif., his only son, and six grandchildren and one great grandchild.

Funeral services will be held at the Little Church of the Flowers at Forest Lawn Memorial Park today, Saturday, at 2 P. M. The L. G. Scovern Co. having charge of the funeral.

W. C. T. U. MEETING

The W. C. T. U. will meet at the home of Mrs. J. N. McGillis, 1003 E. Lomita Ave., Friday afternoon, Oct. 3, at 2:30 o'clock. Miss Alta Birch, County Press Superintendent will be present to give a talk on Press history.

FUNERAL OF PLESS SPEAR

Wm. Pless Spear, a former resident of Tropico died at a Bakersfield hospital on Sunday and the remains were brought here for burial. Funeral services being held Wednesday afternoon at the Little Church of the Flowers in Forest Lawn in charge of the L. G. Scovern Co., Rev. Munger officiating.

Pless Spear was the son of Mrs. Ellen Spear who resided at one time on San Fernando Court. He was working in the oil fields and had gone to the hospital to have a splinter removed from his hand. An anaesthetic was given, which caused vomiting during which a blood vessel was ruptured, causing a hemorrhage. He was 25 years old and his marriage to a young lady here was to have occured soon.

BIG GAIN IN SCHOOLS

School authorities found the latter part of last week that the school attendance this year in Glendale was one hundred more than last year. Last year the attendance was 1736 and this year it was up to that time 1836. This shows an increase of a thousand. Of course there will be more that will register as the time goes on. In 1917 the enrollment was 1357.

Up to the present time there are 671 enrolled in the Glendale Union High School—and more will probably come in as the time goes on.

Glendale is growing.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees held their regular meeting on Thursday night, all present except Trustee Henry.

The minutes of the regular meeting of September 18 were approved and the minutes of the adjourned meeting of September 23 were also approved.

In Ref. Changing Fire Limits in the Tropico District

The matter of changing the fire limits in a portion of the Tropico District was brought before the Board by a contractor engaged in erecting a building for Mr. Anderson on the corner of San Fernando Road, and on motion of Trustee Shaw, the City Attorney was instructed to draw up an ordinance amending Ordinance No. 325 making a change in the fire limits of from twenty-five feet to fifteen feet, beginning at a point one hundred and sixty feet east of San Fernando Road, extending southwesterly to the Southern Pacific Ry. Co's. tracks.

Maps of Selvas De Verdugo Tract Approved

Communication was read from City Engineer, accompanied by a map of the Selvas De Verdugo Tract, recommending the acceptance of the said map. On motion of Trustee Shaw, the following resolution was adopted:

"Resolved that the map of Selvas De Verdugo presented by Geo. Hanna et al is approved, and the streets dedicated thereby are accepted. It is further resolved that the Board of Trustees do not by this acceptance waive any rights to pass and enforce all necessary ordinances to protect the purity of the water supply in the Verdugo Canyon, nor do they thereby encourage building on cienega lands", all present voting Aye.

Communication

A communication was read from C. L. Thedaker, agent of the Southern Pacific Ry. Co. in Glendale, calling attention to the bill from the City to the Southern Pacific Ry. Co., requesting to be informed as to it's present status and the approximate date when the same will be paid. Referred to the City Attorney.

Application to Conduct Auto Passenger Service

An application was presented from Dick Mansfield for permission to conduct auto passenger service, it being approved by the City Marshal, was on motion of Trustee Jackson, granted.

A communication addressed to City Attorney was read from the Railroad Commission of the State of California replying to the City Attorney's letter of September 12th written on behalf of the American Agar Co. regarding the refusal of the Southern California Gas Company to supply the Agar Company with industrial gas. The communication stated that the Commission is advised that the Gas Company is supplying about all the consumers it can accommodate at the present time, and it is unlikely that continuous service can be guaranteed to any new industrial consumer. The Commission is investigating matters similar to this and will advise later of the result. Communication filed.

The City Attorney reported in reference to a bill of the City of Glendale against F. P. Newport previously referred to him, to the effect that the same has been paid.

Presentation of Petition in Re. Calling Bond Election

The City Clerk reported the filing of a petition which he presented to the Board signed by several hundred registered voters of the City of Glendale requesting that the Board of Trustees submit to the qualified electors of the City at an election to be held in accordance with the law, a proposition for the acquisition construction and completion of certain municipal improvements in connection with the combined development of the water works system and the electric lights works and system, and providing for the issuance of bonds thereafter in the sum of two hundred and sixty thousand dollars ($260,000.00). On motion of Trustee Shaw it was ordered that the petition be referred to the City Clerk to check up the same on the great register of the County and report to the Board the number of qualified voters whose names are attached to the petition.

Adjourned.

Last Monday evening members of the school board met with the special advisory committee to discuss the best ways and means of carrying out the school projects for which the citizens have voted bonds. As stated in the Press the bonds have been sold, but the money will not be available until the sale has been approved by the legal advisors of the purchasers.

TWO GLENDALE BRIDGES CLOSED

The work on the Wash by the City and County has necessitated the closing of two bridges—one on Louise Street, and the other the east side of Brand Boulevard. To those who are going to the northern part of Louise Street, they had better take the west side of Brand when they start out or they will have to turn back.

Dr. Jessie Russell has been asked to accept the Vice-Chairmanship of a committee organized to promote the swift ratification of the League of Nations, of which she is in favor.

Heat From the Sun.

One square yard of the earth's surface receives each six-hour day of sunshine heat equal to that in 1.8 pounds of coal. Thus an area of 1,200 miles receives in a year energy equivalent to that obtainable from the 1,100,000 tons of coal mined annually in Europe and the United States.

Odd Foods.

Sea urchins' eggs are used in Ceylon as we eat raw oysters here. The Mexicans use a variety of scorpion, after removing the sting, in a special sort of omelet, to which they add a peculiar sort of peppery flavor. HUMAN FLY IN GLENDALE

The human fly was in Glendale on Tuesday night of this week, awing the older of the audience, making great fun for the younger generation and advertising the Studebaker cars for the local dealers.

After taking up a collection, he climbed to the top of the flagpole at the corner of Brand and Broadway, and then climbed the First National Bank Building. After that he went, with the entire audience to the Palace Grand where he climbed to the top of that place and then balanced himself on a chair on the top of that place. He was real good and is some climber. He kept his crowd in good humor all the time with witty sayings.

BRANCH LIBRARY NOTES

The Bureau of war risk insurance of the Treasury Department is asking the libraries of the country to assist in encouraging the returned soldiers and sailors to keep up their government insurance, and, in cases where it has lapsed to be reinstated.

For this purpose the Branch library has been provided with the following for distribution:

"A Straight Talk to Soldiers, Sailors and Marines," entitled "Are They Worth it?"

Application blanks for reinstatement of government war risk insurance and instructions for filling out the same.

Folders giving premium rates for U. S. Government life insurance.

Treasury decision 47 war risk insurance after separation from the active military and naval service.

Applicatin blanks for reinstatement of war risk yearly renewable insurance.

Addressed envelopes to the Treasury Department, Bureau of War Risk Insurance.

For reference, not distribution; premium rates and policy values for U. S. Government life insurance and a sample United States of America Government life insurance policy.

Many new books have been received and a complete list will be published in a later edition of the Herald.

The Branch is adopting the same card system now in use at the main library.

Under this system one card only is issued to each applicant and as many books can be borrowed on this card as desired but the card must always be presented. The only restriction is in regard to the newest books, only one of these being allowed to the same person or family.
